GLOBAL SECURITY STUDIES, MA/INTELLIGENCE, CERTIFICATE

MA in Global Security Studies/ Certificate in Intelligence

Students pursuing an MA in Global Security Studies may obtain an additional credential by completing courses that lead to the Certificate in Intelligence. This combined credential will prepare its graduates for careers in the U.S. Intelligence Community and in those parts of the government and private sector that use intelligence or work with the Intelligence Community. Students can complete this program with only 15 courses.

Admissions Criteria for all Advanced Academic Programs

Program Specific Requirements

5-page, double-spaced essay on the following question:

"America does not go abroad in search of monsters to destroy. She is the well-wisher to Freedom and independence of all." — John Quincy Adams

This quote reflects the trends in American national security for much of the nation's history. Are the implications that can be drawn from the statement consistent with the demands of American national security in the 21st century? Discuss this problem in reference to some recent policy issues or political events, citing at least three references.

Program Requirements

Students pursuing a Master of Arts in Global Security Studies may obtain an additional credential by completing a sequence of courses offered by the Certificate in Intelligence. This combined credential will require students to complete 15 courses (in lieu of 17 to complete both degrees separately).
