GOVERNMENT, MA/ INTELLIGENCE, CERTIFICATE

MA in Government/Certificate in Intelligence (https://advanced.jhu.edu/ academics/graduate/ma-government/ ma-in-government-and-certificate-in-intelligence/)

Students pursuing the Master of Arts in Government may obtain an additional credential by completing courses that lead to the Certificate in Intelligence. This combined credential prepares graduates for careers in the U.S. Intelligence Community and in those parts of the government and private sector that use intelligence or work with the Intelligence Community, as well as other parts of the national security community. Students can complete the program with 15 courses.

Please note that this entry is for currently enrolled students only. The Certificate in Intelligence program is not currently accepting new students.

Admissions Criteria for All Advanced Academic Programs (https://e-catalogue.jhu.edu/arts-sciences/ advanced-academic-programs/Admission/ #admissionrequirementstext)

PROGRAM-SPECIFIC REQUIREMENTS

Please note that this entry is for currently enrolled students only. The Certificate in Intelligence program is not currently accepting new students.

Program Requirements

Students pursuing the MA in Government may obtain an additional credential by completing a sequence of courses offered by the Certificate in Intelligence. This combined credential will require students to complete 15 courses (compared to the 17 credits that would be required to complete both programs separately). Students are required to take the courses noted below.

Please note that this entry is for currently enrolled students only. The Certificate in Intelligence program is not currently accepting new students.
