CULTURAL HERITAGE MANAGEMENT, MA/DIGITAL CURATION, CERTIFICATE

Students who are interested in pursuing an MA in Cultural Heritage Management and are also interested in the preservation and management of cultural heritage digital assets may enroll in this dual program. Cultural Heritage Management students may earn both the MA degree and the Certificate in Digital Curation with a total of 14 courses.

Admissions Criteria for all Advanced Academic Programs (https://e-catalogue.jhu.edu/arts-sciences/advanced-academic-programs/enrollment-services/admission/)

Applicants must hold a baccalaureate degree in study areas relevant to the curriculum (Anthropology, Archaeology, Architecture, Preservation, Art History, Conservation, Environmental Sciences, Geography, Preservation, Cultural Management or Tourism, Public History, or related field).

Applicants are accepted to the program on the understanding that they have sufficient background in a relevant field, either through their previous degree, or through relevant professional experience, to be able to complete the program. As an applicant, you must provide:

- A 750-word statement of intent that addresses your preparation and experience leading to your application to this program. It should describe how your academic and professional experiences have led to your decision to pursue a career in the heritage field with an emphasis in digital curation and how this combined degree will help you succeed in your goals. If you have worked in the heritage field in any capacity, please incorporate your experience into your statement. Your statement will be reviewed for content, organization, and writing style.

Program Requirements
