MUSEUM STUDIES, MA/DIGITAL CURATION, CERTIFICATE

MA in Museum Studies / Certificate in Digital Curation

Students who are interested in pursuing an MA in Museum Studies and are also interested in the creation, management, and preservation of digital assets in museums may enroll in this combined program. This enables students to earn both the MA degree and the certificate for a total of 14 courses.

Combined degree students must complete all fourteen courses prior to being eligible to graduate.

Admissions Criteria for all Advanced Academic Programs (https://e-catalogue.jhu.edu/arts-sciences/advanced-academic-programs/enrollment-services/admission/)

PROGRAM SPECIFIC REQUIREMENTS

In addition to the materials and credentials required for all programs, the combined program of the Master of Arts in Museum Studies and the Certificate in Digital Curation also requires:

- Statement of Purpose: This 750-word statement should describe how your academic and professional experiences have led to your decision to pursue a career in the museum field with a focus on digital curation and how this combined degree will help you succeed in your future goals. If you have worked for a museum in any capacity and have any experience working with digital assets, please incorporate this into your statement. Your statement will be reviewed for content, organization, and writing style.
- Recommendations: Two letters of recommendation that verify professional and/or academic accomplishment.

Program Requirements

MA in Museum Studies students pursuing the Digital Curation Certificate must take 9 courses from the Museum Studies course list, per the degree requirements, and 5 Digital Curation courses listed below. Two approved courses (i.e., 460.670 - Digital Preservation and 460.666 - Collection Management) may be applied to both the MA and the certificate for a total of 14 courses.
