

HISTORY OF ART, BACHELOR OF ARTS

History of Art Major Requirements

(Also see Requirements for a Bachelor's Degree. (<https://e-catalogue.jhu.edu/ksas-wse/undergraduate-policies/academic-policies/requirements-bachelors-degree/>))

History of Art majors choose from a variety of courses on the world's artistic and architectural traditions and are encouraged to pursue a curriculum that is both geographically and chronologically broad. They are also required to demonstrate at least intermediate knowledge of a foreign language, deepening their understanding of world cultures and building an invaluable skill for art-historical research. All courses taken towards a History of Art major requirement must be taken for a letter grade and a grade of C- or higher must be achieved. If a student opts to take a First-Year Seminar (AS.001.xxx) cross-listed with the History of Art and earns an S grade, this course may apply towards major requirements even though it is graded satisfactory/unsatisfactory. At least five courses (fifteen credits) in the major must be at the 300-level or higher. Courses taken at another institution that are not directly equivalent to a JHU course may not apply towards these requirements without permission of the Director of Undergraduate Studies. Full requirements are outlined below.

Honors Program in History of Art

For graduation with honors, students must have a cumulative GPA of 3.7 or higher in History of Art and successfully complete an honors thesis.

HONORS THESIS

- The honors thesis comprises a significant expansion and deepening of a paper in a 400-level seminar into a 20-25 page paper, with figures, bibliography, and any appendices constituting additional pages.
- Students pursuing honors must make a formal request to do so in conjunction with a proposed mentor via the Honors Thesis Form available on the department's website.
- While writing the thesis, students enroll in Honors Thesis credits (AS.010.521 or AS.010.522 Honors Thesis, 3 credits). These credits are in addition to the normal major requirements and do not count as an elective or advanced course.
