

# MBA/DNP DUAL DEGREE

Students may pursue an MBA/Doctor of Nursing Practice offered through the School of Nursing and the Carey Business School. This area of study puts a nurse in rare company alongside leaders of health care or academic institutions setting a course for the future. Graduates of this program will be prepared to create and lead new models of care delivery for communities locally, across the nation, and around the world.

## Admission Requirements

Apply through the School of Nursing website. Please visit [nursing.jhu.edu/admissions/apply/index.html](https://nursing.jhu.edu/admissions/apply/index.html) (<https://nursing.jhu.edu/admissions/apply/>).

## Program Requirements

The program requires 66 credits, 42 credits (30 credits Flex MBA Business Foundation and 12 credits of electives) for the Flexible MBA. Students have the option of pursuing their degree onsite, online, or in a combination of onsite and online. Course scheduling allows for completion of the MBA portion of the program in 30 months. Students must complete the MBA portion within six years. A waived course must be replaced with an equivalent number of credits in an advanced course. Dual degree recipients receive both diplomas upon completion of both programs.
