MBA/DNP DUAL DEGREE

Students may pursue an MBA/Doctor of Nursing Practice offered through the School of Nursing and the Carey Business School. This area of study puts a nurse in rare company alongside leaders of health care or academic institutions setting a course for the future. Graduates of this program will be prepared to create and lead new models of care delivery for communities locally, across the nation, and around the world.

Admission Requirements

Apply through the School of Nursing website. Please visit nursing.jhu.edu/admissions/apply/index.html.

Program Requirements

The program requires 67 credits, including 42 credits for the Flexible MBA (20 credits of Flex MBA Business Foundations and 22 credits of business electives). Students have the option of pursuing their degree onsite, online, or in a combination of onsite and online. All 42 MBA credits must be fulfilled with "BU" courses from the Carey Business School. Course scheduling allows for completion of the MBA portion of the program in 32 months. Students must complete the MBA portion within six years. A waived course must be replaced with an equivalent number of credits in an advanced course. Dual degree recipients receive both diplomas upon completion of both programs.
