DNP EXECUTIVE/MBA DUAL DEGREE

The DNP Executive Track/Master of Business Administration is a dual degree post-master’s to DNP and MBA program that is designed for students to gain the knowledge, skills, and abilities to lead cross-professional teams in the improvement and provision of informed quality health care while gaining fundamental business skills.

The 67-credit dual degree DNP Executive/MBA Track is offered in a convenient executive-style format, integrating on-site immersions with online and virtual learning experiences. The dual program is offered by the Johns Hopkins School of Nursing and the Johns Hopkins Carey Business School. The program can be completed in nine semesters of study.

The DNP Executive is designed for nurses involved in an advanced nursing practice role including but not limited to:

- clinical nurse specialist,
- nurse practitioner,
- nurse midwife,
- nurse anesthetist,
- public health practitioner,
- nurse executive,
- nurse informatician, and
- health policy analyst.

Clinical hours obtained as part of the master's degree can be applied to the DNP. The student obtains 448 practice hours in association with conduct of the DNP Project, and additional DNP practicum hours to obtain a minimum of 1000 practice hours required for the DNP.

The development of the nursing curriculum is based on AACN Masters Essentials, AONE Competencies, ANA Scope and Standards of Practice for Nurse Administrators.
