

SCHOOL OF NURSING

MISSION AND VALUES

The mission of the Johns Hopkins School of Nursing is to improve the health of individuals and diverse communities locally and globally through leadership and excellence in nursing education, research, practice, and service.

The academic rigor of our programs, the extraordinary nursing scholarship of our faculty, and our reputation for shaping nursing graduates who are leaders in their profession position us as one of the top nursing schools in the U.S.

OUR 2020-2025 STRATEGIC PLAN

INNOVATION & EXCELLENCE:

Lead advancements in education, research, practice and service.

COMMUNITY & GLOBAL CAPACITY:

Build educational/practice partnerships to build the health workforce and improve health outcomes through policy, practice, education and research.

TRANSFORMATIONAL TECHNOLOGY:

Leverage technology to advance our mission.

HEALTH POLICY & ADVOCACY:

Increase the focus on health policy in academic programming and increase advocacy and policy engagement.

PEOPLE, PARTNERSHIPS & COLLABORATION:

Strengthen and advance a cohesive and integrated school structure and environment that builds internal and external partnerships.
