HEALTH INSURANCE FOR STUDENTS

All students in degree and certificate programs are required to have health insurance coverage. The University will provide information about its student health insurance plan and how to enroll 30 days prior to the start of the degree program. Enrollment must be completed by the first week of orientation. Students who do not provide proof of insurance within 30 days after orientation will be automatically enrolled in the student health plan and will be charged accordingly. All full-time, on campus, degree-seeking students will have access to University Student Health Services. University Student Health provides students with adult primary care and adult outpatient mental health services. If you have a healthcare inquiry please visit SEAM’s Online Form (https://support.sis.jhu.edu/case/). Information about rates, billing, termination of coverage, etc. is available at https://nursing.jhu.edu/information/current-student/student-affairs/health-safety/index.html

Dental and Vision insurance are not included in the student health plan but can be purchased for an additional fee. The University is offering a dental plan with Delta Dental and a vision plan with EyeMed. Students must enroll and pay directly to the insurance plan. SON Student Accounts will email enrollment and premium information to students who qualify. Coverage will start on August 15th for returning and newly enrolled students. Coverage will start on January 15th for the newly enrolled spring students. Returning students can enroll in August during open enrollment. If a student misses open enrollment, they will not be able to enroll during the year.
