Tuition and Fee Payment Through SIS (Student Information System)

The Johns Hopkins University provides student account information using SIS (<https://sis.jhu.edu/sswf/>) (Student Information System). This website allows students to view their accounts, make online payments, and update information. SIS is the official means of generating tuition bills to School of Nursing students. Paper bills are no longer mailed to enrolled students.

The self-service system will automatically send an email notification to the student's JHSON email address when a new bill is ready to be viewed online. No sign-up is required. Each registered student is automatically enrolled. It is the student's responsibility to check their student account and pay their tuition promptly.

Student Health Insurance

All students in degree and certificate programs are required to have health insurance coverage. Students will be automatically enrolled in the JHU insurance plan but can waive insurance with proof of comparable insurance. The University will provide information about its student health insurance plan. All on-campus students must have insurance that will fully insure them in Baltimore, Maryland. No out-of-state HMO or out-of-state coverage will be approved. Learn more here (<https://nursing.jhu.edu/current-students/student-affairs/health-safety/>).

Health Services Fee

All full-time on-campus matriculated students will pay an \$900 annual health services fee and will have unrestricted access to all services at University Health Services.

Late Payment Fee

The University assesses a 1.5% per month late fee on the unpaid balance for any student whose account is in arrears. Students who have unpaid balances from a previous semester will not be allowed to register for subsequent semesters.

Transcript/Diplomas

JHSON does not charge for transcripts, however, the National Student Clearinghouse does charge a nominal fee for each transcript and for expedited delivery. Diplomas will not be released to students with unpaid student account balances.

Graduation Fee

There is no graduation fee. For students who participate in the graduation ceremony, regalia is required. Students may rent or purchase regalia. Please contact son-graduation@jhu.edu for details.

Returned Check Fee

A \$35 service fee will be assessed for any returned check.
