

FIVE-YEAR BMRA/MA PROGRAM

Admission Requirements

Qualified students enrolled in the Bachelor of Music in Recording Arts (BMRA) program have the option of applying to complete a Master of Arts degree in Audio Sciences during a fifth year of study.

Students in the BM Music for New Media program may apply for this program with an adjusted program of study. Adjustments are detailed here (<https://e-catalogue.jhu.edu/peabody/bachelor-music-degree/accelerated-graduate-degrees/five-year-bmra-ma-program/mfn-variant/>). Interested students should consult with Peabody Advising and department faculty.

Applications (<https://peabody.jhu.edu/academics/academic-calendar-resources/academic-affairs/five-year-programs/five-year-program-application/>) and materials must be submitted to Academic Affairs by 1 May during the student's third year of study. Admission to the BMRA/MA does not extend financial aid arrangements beyond a fifth year of study, nor does it guarantee continued major lessons in performance or composition.

Admittance to the BMRA/MA program requires:

- a cumulative GPA of 3.67
- recommendation from the Recording Arts faculty.
