

MINORS

Undergraduate students may pursue a minor in the Business of Music, Historical Performance, Liberal Arts, Music Theory, Musicology, or Directed Studies.

Students may begin taking coursework toward a minor at any time. For Directed Studies, students may be admitted into the minor through the Admissions process or by applying by the end of their fourth semester of study. For all other minors, students may apply beginning in the fourth semester of study, and by the end of the penultimate semester. Students may apply by completing this form (<https://projects.peabody.jhu.edu/servicedesk/customer/portal/23/create/230/>). Students may apply for only one minor.

Once admitted to the minor, students must maintain good standing in the major area and a 3.5 cumulative GPA for Directed Studies or a 3.33 cumulative GPA for other minors.

Students may begin taking courses at another division of the university beginning in the second semester of study. Students with minors may not exceed enrollment in 25 credits each semester.

Successful completion of a minor will not appear on a diploma but will appear on a final transcript.
