¹ Students may study with any given vocal coach for a maximum of two semesters.

² All candidates for the M.M. in voice must meet language and diction standards in French, German, Italian, and English, which will be assessed in early in their first semester of study. Students who are designated for remedial work in language and diction will be reassessed at their graduate hearing at the end of their first year and must demonstrate improvement before performing their recital.

³ In order to count as a Vocal Literature elective, a course must include in-class performances of repertoire. Approved courses include but are not limited to: Singing in Russian, Russian Songs and Arias, Advanced Lieder Studies, Advanced Vocal Repertoire in French, Arioso and Recitative, Music for the Voice – 20th and 21st Centuries, and Oratorio. Other courses may count as Vocal Literature Electives upon departmental approval.
