HEALTH COMMUNICATION

Health Communication

EDUCATIONAL OBJECTIVES

Students completing the certificate program will be exposed to and have a basic understanding of the theoretical and applied aspects of Health Communication. Competencies achieved will include, but are not limited to:

1. Awareness of behavior change and communication theories
2. Knowledge of media effects and audiences uses of media/communication modes

Additionally, the Health Communication certificate program will familiarize students with the design and summative (formative, process, and summative) of communication messages, campaigns, and programs.

Faculty Sponsor

J. Douglas Storey (https://www.jhsph.edu/faculty/directory/profile/1207/douglas-storey/)

Complete information about admissions to the certificate program can be found on the JHSPH certificate program page (https://www.jhsph.edu/academics/certificate-programs/certificates-for-hopkins-and-non-degree-students/health-communications.html).

REQUIREMENTS FOR SUCCESSFUL COMPLETION

The certificate program requires a minimum of 18 term credits. All required and elective courses must be taken for a letter grade; a minimum grade of C is required in all certificate coursework and students must maintain a 2.75 or better overall GPA for all certificate coursework. Any request to substitute a course that the faculty sponsors must be given serious consideration. The student must propose the coursework. Any request to substitute a course that the faculty sponsors must be given serious consideration. The student must propose the coursework and present a rationale for the request. In no case will more than one substitution be permitted. The certificate program length is flexible; it varies from student to student, however, the certificate must be completed within three years. The student should review the section of the website that addresses completion (https://nam02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.jhsph.edu%2Facademics%2Fcertificate-programs%2FJHSPH_certificate_completion.html&data=04%7C01%7Cyturner4%40jhu.edu%7C0%7C0%7C6C7550346214153940%7CUnknown%7CTWFpbGZsb3d8eyJWIjoiMC4wLjAwMDAiLCJQIjoiV2luMzIiLCJBTiI6Ik1haWwiLCJXVCI6Mn0%3D&reserved=0) before completing certificate program requirements. The student’s transcript will not indicate that the certificate was earned until the Notification of Completion has been submitted, verified by the certificate program, and processed by the Registrar.

COURSE OF STUDY

Students should check the JHSPH course directory (https://nam02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.jhsph.edu%2Fcourses&data=04%7C01%7Cyturner4%40jhu.edu%7C0%7C0%7C6C7550346214153940%7CUnknown%7CTWFpbGZsb3d8eyJWIjoiMC4wLjAwMDAiLCJQIjoiV2luMzIiLCJBTiI6Ik1haWwiLCJXVCI6Mn0%3D%7C1000%7C0%7C0%7C6C7550346214153940%7CUnknown%7CTWFpbGZsb3d8eyJWIjoiMC4wLjAwMDAiLCJQIjoiV2luMzIiLCJBTiI6Ik1haWwiLCJXVCI6Mn0%3D&reserved=0) to confirm when courses are offered. The term may change from what is listed in the table below and some courses are only offered every other year. Students should also check for prerequisites and whether instructor consent is required.

Note: It is STRONGLY RECOMMENDED that students interested in this certificate program take 410.653 (https://www.jhsph.edu/courses/course/410.653/01/2014/18940/) (Contemporary Issues in Health Communication) as a way to familiarize themselves with the different faculty and course offerings in Health Communication.

Note: Students who started the certificate program prior to AY21-22 may count 410.620 Program Planning for Health Behavior Change towards their total credits, since it was included in the curriculum before that year.
