***Requirements for successful completion:**

The certificate requires a minimum of 21 academic credits, including four required courses, the CQPSOR practicum, and at least six credits of approved elective courses. In order to be certified as complete, all courses (except for the practicum) must be taken for letter grade, and students must maintain a minimum 2.75 grade point average. Requirements must be completed within a three-year period. Degree seeking students MAY NOT complete the certificate after their degrees are earned; **all certificate courses must be completed prior to graduation.**
