

EPIDEMIOLOGY, SCD

About

The doctoral program in epidemiology targets students with specific career goals in public health research, teaching, and/or leadership. The ScD in Epidemiology has all the same requirements as the PhD in Epidemiology (<http://e-catalog.jhu.edu/public-health/departments/epidemiology/epidemiology-phd/>). While the Department appreciates the extensive and noteworthy history of the Doctor of Science degree program, the ScD in Epidemiology is not accepting applications at this time.

Requirements

Course location and modality is found on the JHSPH website (<https://www.jhsph.edu/courses/>).

The ScD in Epidemiology has all the same requirements as the PhD in Epidemiology (<http://e-catalog.jhu.edu/public-health/departments/epidemiology/epidemiology-phd/>).

The ScD permitted partial enrollment under certain circumstances with requests approved by the Department.

All Requirements and policies follow the PhD program Requirements, Policies, and Learning Outcomes.
