

PROCEDURAL INFORMATION

Recitals

Public recitals are required for the completion of all undergraduate and graduate performance degrees and diplomas. All recitals must be scheduled through the procedures established by the Concert Office and in strict observation of the established deadlines. Students must be registered for major lessons during the semester in which they give a degree recital.

Most degree recitals take place on campus. Capstone projects and off campus recitals require the approval of the Major Teacher, Academic Affairs, and the Concert Office. See the Concert Office regulations (<https://livejohnshopkins.sharepoint.com/sites/PeabodyStudents/SitePages/Recitals-at-Peabody.aspx>) for information on the recital process.

Grades given for off-campus recitals may not be contested.

Students must earn at least a B- on all recitals in order to meet the standards for satisfactory academic progress. Any grade below B- is deemed an unsatisfactory grade and requires the student to retake the recital in the following semester.

Recital Repertoire

Degree recitals are solo recitals of repertoire selected with the approval of the major teacher. All recital repertoire should be new repertoire studied during the student's residency at Peabody. Students are not permitted to perform repertoire learned at previous institutions, performed at the entrance audition for Peabody, or performed at a hearing/jury in the student's current program. Solo performances are normally given from memory.

In instrumental areas other than piano, chamber works may be performed on the recital with the written permission of the major teacher and clearance from the Ensemble Office attesting to the availability of the other performers and the feasibility of the repertoire. Students who wish to perform ensemble works that are contained within the Ensemble Library holdings are allowed to check out the music, subject to availability, by submitting a music requisition form. Music from the Ensemble Library must be returned within one week following the recital.

Students who program works that are only available on a rental basis must make their rental arrangements through the Ensemble Office, which acts as Peabody ombudsman for copyright compliance. Rental parts are rented on a per performance basis, and students may only use rental sets for the exact performance for which they are obtained. An approved music requisition form must be submitted at least six weeks before the recital date. Students may not negotiate directly with music publishers for performances presented at Peabody or under the aegis of Peabody.

All proposed recital programs must meet the minimum-maximum required performance time for the degree in order to be approved by the Office of Academic Affairs and the Concert Office (see below (p. 1) for specific limitations).

Credit, Scheduling and Grades

A degree recital is a course. The course number for a degree recital is listed in the curricula for each degree and diploma. To receive credit for a recital, students must register for the course number through the registration process used for all other courses at Peabody. Unlike other courses, however, a degree recital requires special scheduling. To

accommodate all students with an equitable division of resources, all degree recitals must be scheduled and performed within the guidelines set by the Concert Office.

All degree recitals are graded by two faculty members: the major teacher and a second faculty member from the department. Recital grades are submitted to the Office of Academic Affairs and recorded in SIS when received.

Specific Recitals

JUNIOR RECITALS

Students majoring in guitar, jazz, violin, violoncello, and viola performance are required to give a junior recital in their third year of study. This junior recital takes the place of the 309 jury. Students in other departments may elect to play a junior recital off-campus or as a non-degree recital (see the requirements for Non-Degree Recitals below) but must still complete a 309 jury.

All junior recitals must be completed before April 1 of each academic year.
